Dear Joe, George and Judy:

I want to thank you for the professional service that you have provided in the buildings that we have hooked up. In the real estate service world it is rare to find a company that is so easy to deal with. Accommodates requests and is responsive to any question. It is the first time in 30 years that I have experienced a company that calls me on a repeated basis, and not for money.

Your service and follow-up are something you should be proud of.

I hope that we will be able to continue the relationship and add additional locations. If you ever need a recommendation I would love to sing your praises.

Thank you

Very truly yours,

TOWNHOUSE MANAGEMENT CO.,
