RE: Exceptional Service and Gratitude!

To Whom It May Concern:

I am writing to you today to let you know how happy we are with your service. Your staff from sales to tech support as well as the servicemen sent out in the field, work with such professionalism, dedication and reliability.

Your pricing is more than competitive in current industry standards. Your equipment is always up to date and has the most current technology available.

Thank you again for everything!

Sincerely,

A handwritten signature in black ink that reads "Steven McCue".
